CÔTES DU RHÔNE - SCEAU DU PRINCE ROUGE

2020

Most of our growers own vineyards of Châteauneuf du Pape and vineyards of Côte du Rhône. For that reason, the large majority of the grapes used in our Côte du Rhône have been hand harvested since they can use the same team of harvesters. This way we can offer a superior quality. The grapes are coming from 40 to 50 years old vineyards, which brings personality and concentration to our Côte du Rhône.
