Cellier des Princes

IGP VAUCLUSE GRENACHE CELLIER DES PRINCES RED

Grenache is the very famous grape from Southern Rhône, dominant in the large majority of the blends. It is also the most widely grown grape variety in the Rhone Valley. Grenache is a charmer, offering both warmth and roundness of character. It is a versatile grape that can adapt to a range of soils and growing conditions (terroirs). One thing is certain: in blends of different grapes, it embodies all the joie de vivre and generosity of Rhone wines...

TERROIR

Clay and silicious. Coming from terroirs around Châteauneuf du Pape.

GRAPE VARIETIES

Grenache 100%.

WINEMAKING

Destalking, 8 to 10 days fermentation, pumping over and punching of the cap. Controlled temperature at 26 to 28° C.

AGEING

6 months in concrete tanks.

TASTING NOTES

This bright red coloured wine combines red fruits (raspberry and strawberry), and spicy aromas. In the mouth, this wine is soft, round with good concentration of fruit. It is very smooth and well balanced.
